Exhibition Advantages

FlowExpo was founded in 1997 and held annually in Guangzhou. It is recognized by industry for its "Professional Exhibition, Buyers Matching, Remarkable Effect", and it is also a brand exhibition recognized by Guangzhou Government. Our exhibition is one of the largest, most professional and most advanced technology in the fluid industry. It is an important channel for brand promotion, engineering procurement, technology procurement, supporting cooperation, user negotiation, import & export, distribution agency, OEM etc.

FlowExpo is positioned in providing service for water/purified water/sewage, hot water/steam, oil/natural gas/gas, air/compressed air/smoke, industrial liquid/gases/powder/mixture treatment, processing, transportation, measurement, control engineering. Flowexpo is not only a platform for industry exchanges and trade cooperation, but also a weather vane that has a profound impact on the development of fluid industry.

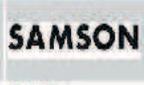

FlowExpo attracts more than 10,000 professional buyers and suppliers from more than 40 countries and regions every year. It is a global industry exchange and B2B trade show. With the implementation of the national Belt and Road strategy, We focus on inviting experts from the Belt and Road countries to visit the exhibition. To make the exhibitors grasp business opportunities and get actual export opportunities.

Visitors Invitation

1. Focus on energy, electric power, petroleum, chemical, metallurgy, daily chemical, metallurgy, coating, biomedicine, paper, municipal construction, construction, water supply, gas supply, sewage treatment, environmental protection engineering, machinery manufacturing, plastic machinery, medical equipment and other industries.
2. Having a large database with more than one million visitors and inviting visitors through the key visitors will be visited and enjoy the vip priority.
3. Visiting more than 120 related associations and inviting the members of associations to visit and purchase.
4. Inviting buyers from over 40 countries and districts including United States, Britain, France, Germany, Italy, Spain, Russia, Commonwealth of Independent States, Japan, Malaysia, Thailand, Vietnam, Iran, Iraq, Taiwan, and Hong Kong etc. through the consulates in Guangzhou and related foreign industry organizations. On-site organizing Belt and Road National Fluid Machinery, Pump, Valve and Pipe Purchasing Trade Fairs.
5. Printing 300,000 tickets and invitations, inviting professional visitors through sending emails and distributing in the similar industrial exhibitions.

Review

The exhibition has had 3885 exhibitors, 155,00sqm exhibition area, and 226,000 visitors in the past years accumulatively. The exhibitors contain: Emerson, TYCO, FLOWSERVE, ITT, Crane, Maximator, PARKER, Danfoss, John Crane, ARI-ARMATUERN, COLFAX, Hitachi, SAMSON, Bray, LESER, Spirax Sarco, Armstrong, TLV, Watson Mc Daniel, Douglas Chero, OVENTROP, AUMA, AMERTEK, Perkin Amelmer, Red Point Alloy, Richter EP, Walworth, BUTTING, Linde, NSK, Permea, KANEKO, Teesing, DOOCH, Farex, Rosedale, Teadit, Hoerbiger, FLUKE, FLWA, Superema, NIKKISO, GEFA, Koei, MOTOYAMA, NEWWAY, INTERFACE, SPECTRO, Grundfos, NIKUNI, DEMBLA, WIKA, MELCHERS, Guangyi Electromechanical, BYRUN etc.

Exhibits Categories

1. Fluid control equipment: valves, regulators, actuators, valve bodies and accessories.
2. Fluid instrumentations: fluid temperature, pressure, flow, level transmitter, analytical instrumentation, and automated control systems.
3. Fluid delivery systems: pumps, compressors, wind turbine and vacuum equipment.
4. Fluid delivery pipeline: pipe fittings, pipe, steel pipe and piping system.
5. Fluid processing equipment: heat transfer, mass transfer, reaction, separation, drying, storage of pressure vessels.
6. Fluid environmental protection equipment: fluid filtration, water treatment, sewage treatment, air purification, desulfurization and dust removal, environmental protection equipment.
7. Fluid cooling equipment: colling tower,cooler,cooling-water machine,water chiller,heat transfer equipment,condenser
8. Fluid transmission systems and sealing components: fluid sealing systems, hydraulic components, pneumatic components, sealing materials, sealing devices, etc.
9. Fluid mechanical parts: casting forgings, flange gaskets

Stand Prices and Facilities

Stand Type	Price	Facilities
Raw space ($\geq 36\text{sqm}$)	USD 300/ sqm	Stand location close to the entrance/exit or main corridor, exhibitors bear the cost of booth construction
Luxury booth ($\geq 18\text{sqm}$)	USD 380/ sqm	4 meters aluminum door heads, door head printing, exhibition lintel printing, 2 LED spotlights each 3 meters 18 sqm(3 open sides or 2 open sides), 2 information counters(one more/ 9sqm),2 round tables(one more/ 9sqm), 6 chairs(two more / 9sqm),4 spotlights(two more/9sqm),1 3A electric socket(500W non-lighting electricity), 2 dustbins
Standard booth (3 m \times 3m)	Shell booth with corner: USD 3000/ 9sqm Shell booth with one side open: USD 2700/ 9sqm	1 information counter 2 chairs 3 walls 1 dustbin 1 / 2 banner (green lettering on white background) 2 spotlights(40W) 1 electric socket(220V and 500W)

Exhibition Schedule

Set-up Date : 14th-15th May, 9:00-17:00

Exhibition Date: 16th-18th May, 9:00-17:00

Move-out Date: 18th May, 14:00-17:00

The Belt and Road International Energy Chemical Industry and Pumps Valves Pipes Technology Summit Forum

Profile

To further promote the intercommunication and trade cooperation between

China's manufacturers on energy chemical industry, pumps, valves & pipes technology and the enterprises in the countries along the Belt and Road on petrochemical engineering and pipe production & technology; to build the B2C communication platform and to thoroughly implement the International Innovation Driven Development Strategy so as to gather the fluid technological innovative resources used in the Belt and Road and accelerate the achievements transformation and upgrade the innovation of the industry, specially organized this conference.

The conference will be held in concurrently with the "FlowExpo-The 22nd China (Guangzhou) International Pumps, Valves & Pipes Exhibition 2019". With the consideration of the international technology transformation and industrial cooperation, the summit plans to invite the distinguished guests from the governmental organizations, scientific research institutions and large & medium enterprises in petrochemical and engineering industry in Russia, Belarus, Kazakhstan, Azerbaijan and Georgia etc.

Conference:

The Belt and Road International Energy, Chemical Industry and Pumps Valves Pipes Technology Summit Forum

Time:

9:00-17:00 , 17th May, 2019 (Friday)

Venue:

Westin Hotel (next to China Import & Export Fair Complex, Area C)

Participates:

250 people

Agenda

Time: 9:00-17:00, 17th May, 2019

9:00-9:20	Sign in
9:20-9:30	Opening ceremony and Introduction
9:30-9:40	Speech from Chinese guest
9:40-9:50	Speech from foreign guest
9:50-10:10	The Development and Innovation of Russian Petrochemical Industry-- LUKOIL
10:10-10:30	The Belarus Development Needs for Petrochemical Equipment-- Belorusneft
10:30-10:50	Products promotion of new technologies & new products of pump, valve and pipe-Sponsors
10:50-11:10	Break and free chat
11:10-11:30	The Latest Innovative Achievements in Equipment Manufacturing.-- Dr. Солонин Юрий Михайлович, the academician of The National Academy of Science of Ukraine
11:30-12:00	Products promotion of new technologies & new products of pump, valve and pipe-Sponsors
12:00-14:00	Buffet Lunch
14:00-14:20	The Mainly Oil Resources and Oil Investment environment in Kazakhstan-- National Company KazMunayGas
14:20-14:40	The Procurement Requirements of Georgian in Petrochemical Equipment-- Georgian Oil & Gas Corporation

14:40-15:00	About valves and pumps' export market in the Belt and Road countries from Zhejiang Province-- Zhejiang Pump & Valve Industry Association
15:00-15:20	About the Brand Building Situation of Valve in Jiangsu- -Jiangsu Valve Industry Association
15:20-15:50	Products promotion of new technologies & new products of pump, valve and pipe-Sponsors
15:50-16:00	Break and free chat
16:00-16:20	Contract signing ceremony
16:20-16:40	Awarding the Certificate of Honor
16:40	The end

Guests

The government officers at home and abroad, the representatives from the service organizations and mainstream medias.

The leaders from Guangdong Machinery Industry Association, Zhejiang Pump & Valve Industry Association and Jiangsu Valve Industry Association.

The envoys from the Belarus, Russia, Ukraine and Kyrgyzstan consulate in Guangzhou.

Famous experts, scholars and the managers of the related research institute at home and abroad.

The specialist representatives from the petrochemical related industry in the countries along the Belt and Road, academicians from the field of environmental protection, energy saving and equipment manufacturing.

Professionals in the field of fluid machinery and pumps, valves and pipes.

Registration Fee

USD 350/ person (conference fee, material fee, buffet lunch, water and souvenir are included)
